Discover HGSE: Exploring the Academic Experience

Monday, August 27th

Kicks off immediately following the Dean's Welcome Ceremony under the Radcliffe Yard tent with an HGSE faculty "8x8" signature event. Join fellow classmates to hear 8 faculty members present for 8 minutes each on their cutting edge work in education! Following the faculty 8x8, students may choose to attend multiple, faculty-led sessions and experiences on a wide array of engaging topics throughout the day.

The day ends with a celebratory BBQ in Radcliffe Yard!

Course Previews

Tuesday, August 28th and Wednesday, August 29th

What it IS:

- A chance to explore a number of different courses you may be interested in.
- A “test drive” of sorts
- A chance to meet the faculty
- Abbreviated classes
- A chance to ponder “How does this class fit with my long term goals?”

What it IS NOT:

- Mandatory
 - Except for some limited enrollment courses, you generally do not have to attend a course previews in order to sign up for the class.
- Stressful
 - Remember, this is a time when you have no homework and no reading assignments. Enjoy yourself!

Tips for Taking Advantage of Course Previews

Tuesday, August 28th and Wednesday, August 29th

- Create a plan
- Consider a class you normally would not take
 - I.e.. If you have never taken an Ed Policy class, test it out
- Preview more classes than you can take
 - Especially true if you are looking at limited enrollment courses
- Use the buddy system
 - If there is a conflict in your previews schedule, talk to someone who attended a session you may have missed. They may even be able to get you a copy of the syllabus.
 - Ask an Alum: Speak to a doctoral student or a returning part-time student can also prove to be invaluable.
