**Bike Registration:** Students are strongly encouraged to register their bicycles. Registration is free. Registration serves as a deterrent to theft and can help in the recovery of stolen bicycles. The serial number is recorded and an identifying sticker is placed on your bicycle.

**Laptop Registration:** The HUPD offers you two ways to register your laptop: online on the HUPD website, a free service provided by the HUPD or through Absolute Software's LoJack for Laptops. The HUPD maintains a database that stores the make, model, and serial number of your laptop. In the event of the loss or theft of the laptop, the HUPD will be able to provide you with that information, which could help facilitate the recovery of the laptop. To register your laptop online please visit [www.hupd.harvard.edu/laptop-theft-prevention](http://www.hupd.harvard.edu/laptop-theft-prevention).

If you choose to use LoJack for Laptops, the company will work with HUPD and local police to try to recover your laptop if it is stolen. The technology they use is embedded in most PCs, making it very difficult to detect and remove. It allows you to remotely display a message and lock your device so that no one else can log on and search your files, photos or passwords. You can also remotely delete files,

photos, passwords, emails, financial data and records, and can use GPS, WiFi or IP to display your device's general location on a map. A four year (4) subscription costs \$30.

Like many students, you may find that it is not possible to read every word in every page of every assigned reading during your time at the HGSE. This workshop is designed to help you be strategic while deciding what to read and how to read it, based on your particular needs, purposes and circumstances. The workshop will explore principles of active learning to help you apply learning strategies to your reading, note-making, class participation and exam taking. Special attention will be given to cultural differences and challenges associated with bilingualism.

12:00 p.m. – 2:00 p.m. .... Internship Expo (Gutman Conference Center)

Looking for ways to fill your gaps, experience a new area of the education industry or expand your network? Whether or not you are currently thinking of participating in an internship while you are here at HGSE, this event is for you! Many students find internships and practice-based projects to be an invaluable supplement to their classroom learning and an excellent way to build career contacts. Others find it a great way to practice their networking abilities and explore the options for filling their gaps. Whichever calls to you, come join us!

It's similar to a job fair, though is focused on internships. More than 65 employers will be there who are looking for HGSE interns for Fall and year-long (as well as Spring) opportunities. They're also keen to introduce themselves, share what they're up to and answer your questions.

Want to know who's coming and how to best prepare? You will find a current list of registered employers and a best-practices tip sheet on the Career Services Internships site at: <http://cso.gse.harvard.edu/academicinternship-opportunities>. We are continually adding new organizations as they register and updating FAQs and tips, so keep checking the site for the latest information. Business casual attire recommended.
